

VENDORS...

Thank you for your interest in our “growing” market!

The Highland Farmer’s Market will begin its third season on Thursday, June 16. The market will again be held every Thursday from 4 – 8 pm and continue through October 6th. However, (drum roll please) we have moved to our new and exciting location on the Downtown Square here in Highland. Just as spring

means a new beginning for the earth...so too is the Highland Farmer’s Market experiencing a new beginning on the Downtown Square. With your participation and support, we are confident the customers in the Highland area will embrace our efforts to bring locally grown produce, baked goods and artisan wares to their homes.

Rules and Regulations

Please review for more information on our market and to learn about participating as a vendor.

Vendor Application

If you are interested in participating in this year’s market, please mail your application along with a check for the appropriate fee. Seasonal space is reserved with prepayment of ½ the amount due. The balance is owed by opening day of the market. If you have a preference for your booth space, also include the layout with an “X” on the space you are interested in. If you have any questions about how to handle your application, please call Jami or Jeannie at the Highland Chamber office at 654-3721 or Market Master, Deanna Harlan at 618-531-5111.

Layout

View the proposed layout on the Square to get an idea of where you would like your booth space. Full season spaces will be assigned in the order that checks are received. Partial season spaces will be assigned on a weekly basis although every effort is made to keep the same booth spaces each time a vendor participates.
